

MESAStILA

MAGELANG, CENTRAL JAVA

Harvest with Us

3D/2N

USD 770 nett for double occupancy

Valid: July - September 2016

MesaStila and its coffee plantation will soon be harvesting coffee with sun-drying coffee beans and the luscious aroma of coffee throughout the whole property. At coffee harvest time, MesaStila produces more than 24 tons of coffee beans. Guests may experience the whole harvest including process picking the coffee cherries, observing the drying process and visiting the coffee house where roasting and grinding of the beans takes place using traditional methods. Complete your coffee harvest journey by enjoying this very fresh coffee served with MesaStila's homemade brown sugar and selected seasonal fruits.

Includes: 2 nights stay in an Arum Villa (double occupancy), 2x lunch, 2x dinner, 1x 50 minutes coffee scrub, afternoon tea, scheduled inhouse activity.
